

How to Setup

How to setup Do Not Call List

You can download the Do Not Call Lists from <http://www.donotcall.gov>.

Then specify the Do Not Call Lists file to Ecsow Dialer as below.

Options

General SIP Account **Do-Not-Call** Voice Activity Detection Call Distribution Call Transfer Preset

☒ Skip phone numbers in the below Do Not Call CSV file

C:\Users\Q\AppData\Roaming\Ecsow\DoNotCall.csv **Browse...**

A Do Not Call CSV file is a comma-delimited text file containing one area code and telephone number per line, separated by a comma. For example:

416,1234567
416,1234568
416,1234569

416-1234568
416-1234569
416 1234568
416 1234569

OK Cancel
